## Featured Staff

### Avant Gardeners

The deep grooves of the band's mixture of traditional and composed tunes have contributed to the delirium of dancers at countless dances and concerts from coast to coast. Their tunes are eclectic, original, and rootsy. Their range of performing styles and facile improvisation have given this group their reputation as one of the premier contra and swing-dance bands in the country.

### Kathy Anderson

Internationally known and sought after, Ohio's Kathy Anderson is a legend in her own time. A favorite caller for dance camps all over the world, she is known for her smooth vocal delivery, enthusiasm and wit. Her repertoire of flowing contras and high-energy squares always guarantee a fun and exhilarating dance experience!

### Cathy Stephens

Internationally-known **dance instructor** and historian, Cathy is known for her clear, crisp teaching style. She is a long-time camp favorite, teaching couples and vintage dancing, and hosting the ever-popular and enchanting Cathy's Lounge.

*Our residential camp  
is a great value*

MDH, a non-profit organization, works to provide you an all-inclusive yet economical weekend. \$75 of your registration fee goes to the camp to provide meals and housing, which means you get a whole weekend of fantastic music and dancing for just \$85!

Enjoy the beautiful setting...take a stroll along the beach, go on a nature walk around the camp or simply sit on the beautiful porch and watch the boats pass by on Lake Huron.

Bring a Friend and save!  
The best camp is a full camp. Bring a friend who is new to this camp (or who has missed the last 3 years) and both of you will receive a \$10 discount.
